

New single release:

These boots are made for Stomping

Release date: 09/08/24.

Richard 'Ricky' Palmer is releasing his version of the classic Nancy Sinatra song *These boots are made for walking*.

The track has been re-imagined by the Portsmouth based singer-songwriter, who has created a lively Ska version, giving the song a fresh feel for the 21st Century.

The single is available on all major digital platforms.

Nancy Sinatra's *These boots are made for walking* has always been a favorite of mine, and I am please to have recorded my version.' said Richard 'Ricky' Palmer.

He went on to say, 'I wanted to express a feeling of fun with this track, and I have hopefully achieved that by re-imagining it as a Ska song.'
